6th March 2009

Dear Parents,

At the governors meeting last night I handed in my notice and will be leaving at the end of this school year. Having taught full time for 30 years, the last 15 at Wark, I have decided that it is time to hand over to someone else and for me to do something different. It has been a privilege to work at Wark and there are many aspects of the job that I will miss, not least the friendship and support of children, parents, staff and governors. Governors are now considering my replacement and I am sure they will keep you informed as to how things are progressing.

Friends of Wark First School Bingo

Many thanks to everyone who supported our bingo on Tuesday. £390 was raised which will go towards equipment for the new outdoor classroom.

School jumpers

Could you please check your child's/children's school jumpers and make sure they have their own. Could you also ensure that school uniform and PE kit is clearly labelled with your child's name.

Dates for this Half term

In school this week

In school this week we have celebrated World Book Day and World Maths Day. For World Maths Day we did a maths trail and went on the computer and did adds and take aways with children from countries all over the world. On World Book Day we brought books in from home about other countries and we read them in class.
